The authors regret the omission of the Acknowledgement.

Acknowledgement

This project was conducted with data (Application no. NAKO-829) from the German National Cohort (NAKO) (www.nako.de). The NAKO is funded by the Federal Ministry of Education and Research (BMBF)

[project funding reference nos.: 01ER1301A/B/C, 01ER1511D, 01ER1801A/B/C/D and 01ER2301A/B/C], Federal States of Germany and the Helmholtz Association, the Participating Universities and the institutes of the Leibniz Association.

We thank all participants who took part in the NAKO study and the staff of this research initiative.

The authors would like to apologise for any inconvenience caused.
